

VICTORIAN ENERGY EFFICIENCY CERTIFICATE (VEEC) ASSIGNMENT FORM

Please complete and fax to **(02) 4868 1083**

Section 1 – Mandatory Introductory Information

Consumers in respect of whom a prescribed activity is undertaken can create Victorian Energy Efficiency Certificates (VEECs) under the Victorian Energy Efficiency Target Act 2007. One VEEC represents one tonne of carbon dioxide equivalent (CO₂-e) to be reduced by the prescribed activity undertaken by the consumer.

Consumers are able to assign their right to create VEECs to an accredited person. In assigning their right to an accredited person, the accredited person will be entitled to create and own the certificates in respect of the prescribed activity undertaken by the consumer. In return, the accredited person should provide consumers with an identifiable benefit for the assignment, such as a price reduction on a product, free installation or a cash-back arrangement. Consumers should be aware that it is their responsibility to negotiate satisfactory terms with the accredited person in return for assigning their right to create VEECs.
